

## Associate Membership

## Why Join COHPA?

Associate membership signifies a proactive approach towards occupational health and demonstrates your support and commitment to the OH industry.

### Eligibility

Associate membership is open to stakeholders within the OH industry, whether companies or individuals, that do not provide commercial OH services but do supply equipment, goods or services to the OH Industry.

### Our Aims

- Our primary function is to promote occupational health to the wider business community by demonstrating the benefits that can be achieved through using OH industry products and services.
- We are united and powerful voice representing the industry and giving every commercial OH provider a voice that is heard.
- COHPA brings together OH providers and industry stakeholders to promote knowledge sharing and provide valuable networking opportunities.
- Working to advance best practice and commercial awareness within an ever expanding and developing industry.
- COHPA is an information and advice body helping employers access effective OH.

### Benefits of Membership

**Publicity:** Circulation of your significant news releases (e.g. a product launch) and members offers (See terms and conditions for details).

**Information:** We keep members updated on all industry news and offer knowledge sharing via events and the members area of our website.

**Networking:** Meet members at our Business to Business events.

**Credibility:** Connect with the association driving the business voice of industry.

**Visibility:** Online listing with a link to your company.

#### **Additional Services:**

- Marketing opportunities
- Event Sponsorship
- Recruitment services
- Event promotion
- Additional publicity circulations

### Testimonials

*COHPA Associate membership has been invaluable for us in sustaining our reputation as a highly specialised recruitment organisation in the market-place. COHPA has definitely supported our growth and development and helped us build lasting relationships with many of our key clients.*

**Rachel Barron, Occupational Health Specialist,  
STR Health**

*COHPA have been essential in assisting the insurance industry to gain a better understanding of the risks presented by the Occupational Health provider. We have no hesitation in recommending COHPA.*

**Joanne Salt, Corporate Business Executive  
Brett & Randall Limited**

*We are grateful for the opportunity that COHPA has given us and would recommend that anyone related with the Occupational Health Industry join this forward thinking organisation.*

**Jo Henderson-Tchertoff, Account Manager  
Tempus Software Limited**
